Guide and tips on how to fill out the End-Use and End-User Statement for Distributor

ABC SG Corp.

- If the end-user is an organization or business enterprise, please include the end-user's logo or print the EUS with the company's letterhead.
- If the exporter has already an existing End-Use and End-User Statement Template or its equivalent, the exporter must check if the information is consistent with the information requested in the Form A2-2

I/ We (Party/ies involved)	
End-user details	
Company Name:	ABC SG Corp.
Complete Company Address:	1st Floor ABC SG Corp. Building, Yokohama, Kanagawa, Kanto, Japan
Telephone/ Fax Number:	(+81) (012) 345-6789
	Website: www.abcjc.com
Email Address:	askus@abcjc.com
Type or Nature of Business:	Distributor

Tips:

- The end-user is the entity that shall take final possession as a distributor of the commodity, regardless of the purchaser/s and intermediate consignee/s.
- Please give the full company name and address of the end-user.
 - The company name must not be abbreviated and should be as stated on any kind of business permit.
 - For an individual person, provide the full address of the current place of residence
 - For organization or business enterprise, provide the full business address
 - P.O. Box number or remarks such as "Company A on behalf of Company B" is not acceptable.
- Please provide the contact details of the end-user.
 - For individual person, provide the personal/official contact number and email address of the end-user.
 - For organization or government, provide the contact number and email address of the person who is familiar with the transaction.
 - Website must include any web-based identification in web/ social platforms such as the official website, Facebook, Instagram, Twitter, et al.
- Indicate the end-user's main nature of business. Indicate all business activities of the end-user, if more than one (i.e., manufacturing and distributor).

Consignee details (if different from end-user)	
Company Name:	
Complete Company Address:	
Telephone/ Fax Number:	Website:
Email Address:	
Type or Nature of Business:	

Tips:

- The consignee is the entity involved in the transfer of strategic goods from the exporter to the end-user.
- Multiple consignees can be included in the transaction. An additional sheet can be provided to indicate all consignees involved.
- Fill this portion if the consignee is different from the end-user. Otherwise, indicate N/A.
- Follow the tips on filling out the End-user details.

Guide and tips on how to fill out the End-Use and End-User Statement for Distributor

have requested	
Exporter details	
Company Name:	ABC Inc.
Company Address:	12th Floor ABC Corp. Building, Sen. Gil Puyat Ave., Makati, Philippines

Tips:

- Please state here the name and address of the STMO registered person as stated on the Certificate of Registration and on any kind of business permit.

to export						
Description of the Commodity and/or Service	NSGL Code	HS or CN Code	Brand	Model	Quantity & Metric Unit	Total Value: (USD/PHP)
Digital-to-Analogue Converter	3A001.a.5.b.1	854231	EMJ Integrated Circuit X	ICX#456863	300,000 pcs	\$300,000.00

Tips:

- Please provide a clear and concise product description.
 - Please list each item, including in the description, the product name, and the manufacturer, if appropriate. Also include the part/ model number, all the specific details of any modification, and any other details (Serial No., Chemical Abstract Service (CAS) Registry Numbers, if appropriate) that would assist in clarification/ identification of the item (e.g., part number 1162-02 - trigger rubber gasket; AN/XXX-1 communications system; Methyl Phosphonyldifluoride (CAS 676-99-3)).
 - Kindly provide the suffix to model/part no., if any. Use of abbreviations and in-house terms should be avoided. Where possible give the function/ technical description of each product in brackets.
 - In case of software or technology transfer: identify the software or technical data to be transferred, the end item or system it relates to, and the type of data contained in the documentation (e.g., drawings, schematics, blueprints, briefings, proposals, et al.) If you are exporting a specific document or proposal state, the exact title of the document to be exported. In case of encryption, provide a brief technical description including the primary purpose of the item and the type of encryption used in the product or technology (e.g., 128-bit RC4 for secure e-mail, 2048 RSA for key exchange).
- Please provide the NSGL code of the item.
 - Insert NSGL Code. Example: ML1.a. for submachine guns or 1C350.46 for triethanolamine (102-71-6).
 - In the case of software or technology transfers, the NSGL Code of the software or technology needs to be identified, as well as the hardware to which it relates. Example: ML22.a as it relates to the production of ML1.a. (this means technology classified as ML22.a for the production of “widgets” classified under ML1.a.)
- Insert the six (6) digit Harmonized System (HS) code or ASEAN Harmonized Tariff Nomenclature for each item. An eight (8) or ten (10) - digit HS code may also be provided.
- Please indicate the brand/ maker’s name and model/part number of the goods, where applicable.
- State the quantity (e.g., number/ amount) of each end item, major component, and system per annum (e.g., 100 pcs, 2000 kg, 500 l et al.). Please give the appropriate unit., e.g., pieces, sets, kg, etc. in which the quantity of the goods is expressed. Vague terms such as “unit(s)” or “each” is not acceptable.
- Enter the currency (USD or PHP, preferably USD) and value of the proposed transaction per the purchase order/ contract.

Guide and tips on how to fill out the End-Use and End-User Statement for Distributor

to be distributed or stored for future orders

Complete address where goods will be held in stock for distribution (if different from the end-user address)

Unit 1-4, ABC SG Warehouse, Yokohama, Kanagawa, Kanto, Japan

Tips:

- Provide the complete address of where the goods will be stored. Fill out this portion only if the location of the storage of the stock is different from the address of the declared end-user. Otherwise, indicate N/A.

END-USER CERTIFICATE

I/ We declare that the strategic or unlisted goods listed above are intended for distribution or stock to be held against future orders and

1 are likely to be re-exported to the following countries and/or customers:

a. Singapore: DEF Company, Inc.

b. USA: Tele Global Limited and ABC Global

and/or

are likely to be sold within the country where we are based to the following customers:

- Kinetic XYZ Inc. and Hey123 Trading Corp.

2. shall be re-exported or sold to a third party in accordance with the originating/ supplying and receiving countries' export control or strategic trade laws, as applicable.

3. shall not be supplied if we know or suspect that they are intended or likely to be used in the development, production, inventory, identification or proliferation of weapons of mass destruction and its delivery systems.

4. shall not be sold/ transferred to an individual or entity who is involved directly or indirectly, or is known or suspected to be involved in the development, production, handling, operation, usage, maintenance, storage, detection, inventory, identification or proliferation of weapons of mass destruction and its delivery systems.

5. shall not be sold/ transferred to an individual or entity who is sanctioned or restricted under applicable United Nations Security Council resolutions.

Tips:

- For No. 1.a, list all known and likely countries and/or customers to where/ whom the goods will be distributed. The list should cover all known and likely end-users outside of the end-user's country location.
- For No. 1.b, list all known and likely customers within the end-user's country location.
- Please ensure that this portion is read and understood before signing the document.

CERTIFICATION BY THE END-USER

I/ We hereby certify that all facts stated herein are true and correct based on my/ our own personal knowledge and nothing contained herein is inconsistent with my/ our declaration.
